Community Supports Fatherhood Festival

7 September 2009

Annual Event in Forbes

On Saturday 5 September CentaCare presented the annual Forbes Fatherhood Festival, a fun community event to celebrate the importance of Dads in families.

Father's Day Weekend

With beautiful spring weather on the Father's Day weekend, more than 500 dads, mums and children came to the event.

The day offered rides, games, face painting and the ever popular temporary tattoos and was capped off by a family bush dance at the Forbes Inn with music by iconic Australian bush band The Bushwackers.

CentaCare thanks festival sponsors Forbes Shire Council, Mezzanine, LETS Employment, Jeffery Toyota, the Rotary Ipomoea Club and Debaque Drag Racing Team for their contribution to the day's success.
