Supporting families and
communities in western NSW

YoungSTARS in Forbes

A program for Dads and their sons

CentaCare is thrilled to announce the launch of a new program supporting the development of close relationships between Dads and their sons.

Collaboration with Pathways Foundation

In collaboration with national harm prevention charity, the Pathways Foundation, CentaCare now offers the YoungSTARS program (created by the Pathways Foundation) in Forbes NSW.

YoungSTARS is a special weekend of fun and adventure for boys aged 6 -10 and their Dads. It is a wonderful opportunity to join other Dads and sons to celebrate the relationship.

Already offered in a number of Australian capital cities, this is the first time the program has been offered to families in central–west NSW.

"The biggest thing for me was it was really just a great chance to have a weekend one on one with my son—to focus on him" (Michael, father).
